READ – John 12:12-19

QUESTION – What was the crowd’s expectation of Jesus?

QUESTION – How did Jesus’s act of riding on a donkey challenge the crowd’s idea of leadership and power? What did this reveal about Jesus’ character and mission? How does this challenge your idea of leadership and power?

How does this insight influence your trust and faith in God’s timing and purposes?

QUESTION – According to verses 17 and 18, what specific group of people were mentioned as being a part of the crowd? Why do you think they were there?

QUESTION – Describe the Pharisees reaction to Jesus being praised by the crowd. Why were they upset at Jesus’ increasing popularity?

QUESTION – How does this event fulfill Old Testament prophecy (read Zechariah 9:9 and Psalm 118:25-26)? How does this give you confidence in God and His word?
